 **HIFLON**®
Polymer Additives

A brand of Electro Polymers Industries, HIFLON® is specialised in providing superior quality polymer additives. Our product offerings include:

- Polyisobutylene Additive (PIB Compound)
- Slip Masterbatch
- Antifog Masterbatch
- Antistatic Masterbatch
- Polymer's Processing Additives (PPA) Masterbatch
- Black Masterbatch
- Optical Brightener (OB) Masterbatch

Key Markets Served:

- Agricultural Pipes
- Woven sack Industries
- Automotive & Transportation
- Mono and Multilayer films
- Coatings, Ink & Adhesives
- Crates
- Medical
- Chemical Manufacturing
- Water Tanks
- PVC Pipes and Films
- Consumer and Industrial Packaging
- Box strappings
- Blow Mouldings
- Adhesives & Sealants
- Building & Construction
- Electrical & Electronics
- Polymer Compounding
- Elastomers
- Textile & Fiber and more...

Other special additive master batches that our industries are equipped with are Flow enhancer, Anti-oxidant, Anti corrosive, Anti fog, Polymer processing Aids, Antimicrobial, UV Master Batches & many more.
